

### TITAN Storage Rack · Storage Box "Barelle"

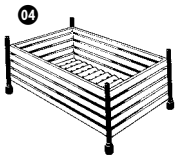

<b>01 TITAN Storage Rack "Barelle"</b>		
safe working load 15 kN (trailer space 10 pieces per load meter), pack. unit 5 pcs. / bundle		
art.no. 01206001.....	painted	38,00 kg
art.no. 01206002.....	galv.	38,00 kg

<b>02 Fixed Castor</b> , with wedges, Ø 200 mm, SWL 4,0 kN	
art.no. 01206010.....	5,87 kg

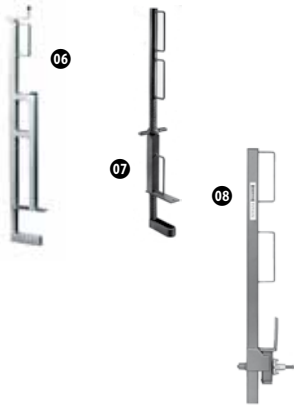

<b>03 Swivel Castor</b> , with wedges, Ø 200 mm, SWL 4,0 kN with brake	
art.no. 01206011.....	5,95 kg

<b>04 TITAN Storage Box</b> , for storing small parts, 0,6 m³ volume	
art.no. 01206005.....	painted 96,00 kg
art.no. 01206006.....	galv. 96,00 kg

<b>05 Connector for Storage Rack "Barelle"</b> , black polyseal coated, (without ill.)	
art.no. 01206030.....	1,60 kg

### TITAN Rail Post

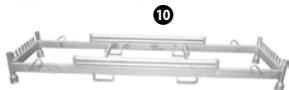

Description:	06 TITAN H · GS - 93167	07 TITAN HS · GS - 93168
for slab thickness	max. 400 mm	350 mm
safe working load	kN 0,3	1,5
weight	kg 8,38	11,86
painting		--
galvanized	--	
packing	pallet = 125 pieces	pallet = 50 pieces
art.no.	06206201	01206203

<b>08 TITAN Rail Post</b> , for steel/sheets and lagging walls, clamping range 8 to 30 mm, max. spacing 2,0 m acc. to DIN 4420, <b>painting red</b>	
art.no. 01206220.....	7,30 kg

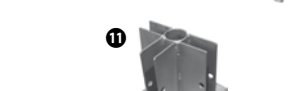

### TITAN Aluminium EPS

<b>09 EPS Aluminium Screen 3000</b> , 2935 mm x 1280 mm, to DIN EN 13374 class A	
art.no. 06206230.....	16,50 kg

<b>10 EPS Storage Rack</b> , castors can be connected, for transport of 18 EPS Aluminium Screens, 3,06 m x 0,82 m x 1,63 m	
art.no. 06206238.....	88,00 kg

<b>11 EPS Floor Bracket</b> for EPS Aluminium Screen, galvanized, fixing to the ground with concrete bolt 16 x 120 mm or multi-clamp	
art.no. 06206234.....	4,60 kg

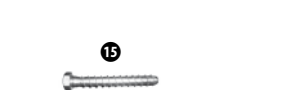

<b>12 Multi-Clamp</b> for EPS Floor Bracket or EPS Beam Bracket, for slabs up to 400 mm and all TITAN Aluminium Beams	
art.no. 06206240.....	7,30 kg

<b>13 EPS Beam Bracket</b> for TITAN Aluminium Beams, multi-clamp required	
art.no. 06206242.....	3,80 kg

<b>14 EPS Rase Post</b> for EPS Beam Bracket	
Art.-Nr. 06206243.....	4,60 kg

<b>15 Concrete Bolt</b> , 16 x 130, SW 24, self-tapping, recoverable, for fixing the EPS Floor Bracket, with hex. head, predrilling Ø 14 mm required	
art.no. 06202130.....	0,15 kg
